

Men Working Out Their Faith In Action
One "Nudge" at a Time

Facilitator's Job Description;

Guides/Facilitates the groups' completion of the agenda for the day

Focus on Application over Information

Asks questions and for group response

Is not the "answer man."

Is not a "teacher" for the group

Participates in the discussion as a member of the group (usually later in the discussion)

Insures all participate at some level each day

Encourage "Nudges" from each member (Only as they are ready to commit)

Insure a safe environment for the group

Monitor trust and transparency in the group
